Lithium Australia NL (ASX: LIT) is very pleased to announce the unlisted partly paid contributing shares paid to \$0.0001 each and \$0.2499 unpaid (**LITCE**) are now listed. The relevant code has changed from LITAQ to LITCE.

The Company has been approached by many (partly paid) shareholders in regards to visibility of these LITAQ's (now LITCE) on broker accounts. As the LITAQs were unlisted at the time of issue, they were allocated an Issuer Sponsored Number. LIT notes that the LITAQs can be traded using this Issuer Sponsored Number. Alternatively, the LITCEs can be transferred to a CHESS Sponsored Account.

Some shareholders have advised that the following link has been tremendously helpful to transfer the shares to a CHESS sponsored account using "CommSec Support, 10 Most Popular Answers". The instructions as they appear on this link are provided on the next page.
