## TERMS AND CONDITIONS

- (i) Each Option gives the holder the right to subscribe for one Share. To obtain the right given by each Option, the Option holder must exercise the Options in accordance with the terms and conditions of the Options. The Options have an expiry date that is 2 September 2015 (2 years less one day following the date of issue) (**Expiry Date**) and the exercise price is \$0.0875 (125% of the VWAP for the 5 Trading Days preceding the date of the Meeting) (**Exercise Price**).
- (ii) Any Option not exercised before the relevant Expiry Date will automatically lapse.
- (iii) A holder may exercise their Options by lodging with the Company, before the relevant Expiry Date:
  - (a) written notice of exercise of Options specifying the number of Options being exercised (**Exercise Notice**); and
  - (b) cheque or electronic funds transfer for the relevant Exercise Price for the number of Options exercised.
- (iv) An Exercise Notice is only effective when the Company has received the full amount of the relevant Exercise Price in cleared funds.
- (v) Within 14 Business Days of receipt of the Exercise Notice accompanied by the relevant Exercise Price for the number of Options being exercised, the Company will allot the number of Shares required under these terms and conditions in respect of the number of Options specified in the Exercise Notice.
- (vi) All Shares issued upon the exercise of Options will rank pari passu in all respects with other Shares.
- (vii) In the event the Company remains listed on ASX at the time of exercise of the Options, the Company will apply for quotation on ASX of all Shares issued on exercise of Options within 10 business days after the date of issue of those Shares.
- (viii) If at any time the issued capital of the Company is reconstructed, all rights of a holder are to be changed in a manner consistent with the Corporations Act and the Listing Rules (if applicable) at the time of the reconstruction.
- (ix) There are no participating rights or entitlements inherent in the Options and Option holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options. However, the Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least 7 business days after the issue is announced. This will give Option holders the opportunity to exercise their Options prior to the date for determining entitlements to participate in any such issue.
- (x) In the event the Company proceeds with a pro rata issue (except a bonus issue) of securities to Shareholders after the date of issue of the Options, the exercise price of the Options will be treated in accordance with the Listing Rules (if applicable).
- (xi) In the event the Company proceeds with a bonus issue of securities to Shareholders after the date of issues of the Options, the number of securities over which a Option is exercisable may be increased by the number of securities which the Option holder would have received if the Option had been exercised before the record date for the bonus issue. The Exercise Price will not change as a result of the bonus issue.
