PAYMENT PROCEDURE TO FULLY PAY LITCF PARTLY PAID SHARES

Question – What should I do if I want to fully pay my LITCF partly paid shares and turn those shares into LIT fully paid shares?

1. Make your decision to fully pay LITCF by paying Lithium Australia the appropriate amount.
 - a. The appropriate amount is the number of LITCF you hold (or part thereof) multiplied by 4.99 cents per LITCF = \$x.xx.
 - b. For example, if you have 10,000 LITCF, the appropriate amount may be \$499.
2. Complete the LITCF form provided by the share registry.
 - a. Please contact c.chan@advancedshare.com.au and v.cannakamma@advancedshare.com.au
3. Use the BPAY details provided from the share registry in 2 above.
4. Transfer appropriate amount.
5. Upon payment, please print the confirmation or save as a soft copy.
6. Send the information in 4 to c.chan@advancedshare.com.au and v.cannakamma@advancedshare.com.au
7. Conversions are currently completed on a fortnightly / monthly basis, depending on the activity.
